DEGLI STUDI
DI MILANO

REP. N° 0025193/18
del 31/08/2018

MEMORANDUM OF SCIENTIFIC COOPERATION

between

Università degli Studi di Milano, with its registered offices in Milan -I-20122, Via Festa del Perdono 7, tax code n. 80012650158, VAT number 03064870151, represented by its Rector, Prof. Gianluca Vago,

and

Universidad Nacional Agraria La Molina, with legal address in Av. La Molina s/n, Distrito of La Molina, Province and Department of Lima, represented by its Rector **Ph.D. Enrique Flores Mariazza**, identified with I.D.N. N° 07852465, designated by the Resolution N° 003-2015-AUT-UNALM dated december 21, 2015.

Willing to establish a collaboration in the field of agrofood production focused to processes and environmental sustainability with the final aim to improve local economies

agree

Both parties shall cooperate in developing the following initiatives:

1. Explore the potential for joint research in the areas of agrofood technological development and of food and agriculture waste as biomass for energy production
2. Development of joint training initiatives aimed at transferring of academic knowledge and at updating and retraining of stakeholders and local economic operators
3. Exchange of teaching staff, PhDs and postgraduates
4. Joint publication of scientific results on indexed journals

Any initiative within this present memorandum shall be negotiated and agreed upon by both parties under separate agreements prior to the beginning of any activity.

Both parties understand that all financial arrangements will be negotiated in advance and will depend on the availability of funds.

This memorandum shall come into effect from the date of signing by the representatives of both universities and will be valid for five (5) years. The memorandum, however, may be terminated by mutual consent, at any time by either party with six months written notice.
