

## ISHS International Symposium on Soilless Culture and Hydroponics

August 24-29, 2008 • Lima, Peru

### Symposium Sponsorship

The Organization Committee invites you to support the International Symposium on Soilless Culture and Hydroponics by making a financial contribution of:

US \$ 2500

US \$ 2000

US \$ 1500

US \$ 1000

These sponsorships will be used to pay the different costs of the symposium organization.

- Sponsorships of US 2500 include the registration for three attendees and display space (\*) to show your products or services. Also inclusion of your advertisements within the attendee's package.
- Sponsorships of US 2000 include the registration for two attendees and display space (\*) to show your products or services. Also inclusion of your advertisements within the attendee's package.
- Sponsorships of US 1500 include the registration for one attendee and display space (\*) to show your products or services. Also inclusion of your advertisements within the attendee's package.
- Sponsorships of US 1000 include the advertisement of your company in all the Symposium documents and inclusion of your advertisements within the attendee's package.

During the International Symposium will be held a Trade Show where your company will show to the attendees and the general public your products and services to the soilless culture, hydroponics and related sector. It will be an excellent opportunity to do business and open new markets among Latin American, American, European and Asian companies.

(\*) There will be 20 stands that could be chosen at the moment of the contract with this order. The size of each stand will be 3 m x 2 m; each one will have illumination, corporate logo printed at 1400 DPI. We will provide a table, chairs, assistance and security.

Name and logo of sponsors will be featured on the symposium documents, during symposium sessions and on the symposium web site:

By actively supporting this event, your organization will benefit by strengthening its prominence as a leader in protected cultivation by increasing your organization's research and outreach capabilities, all on an international level. We trust you will join us in supporting this symposium and taking an active role in meeting the challenges on soilless culture and hydroponics.

We are looking forward to meeting you in Lima next August, and we hope you will find the Symposium as an interesting and enjoyable meeting.
