# Condiciones Oceanográficas en el Pacífico Ecuatorial y Lluvias en el Perú

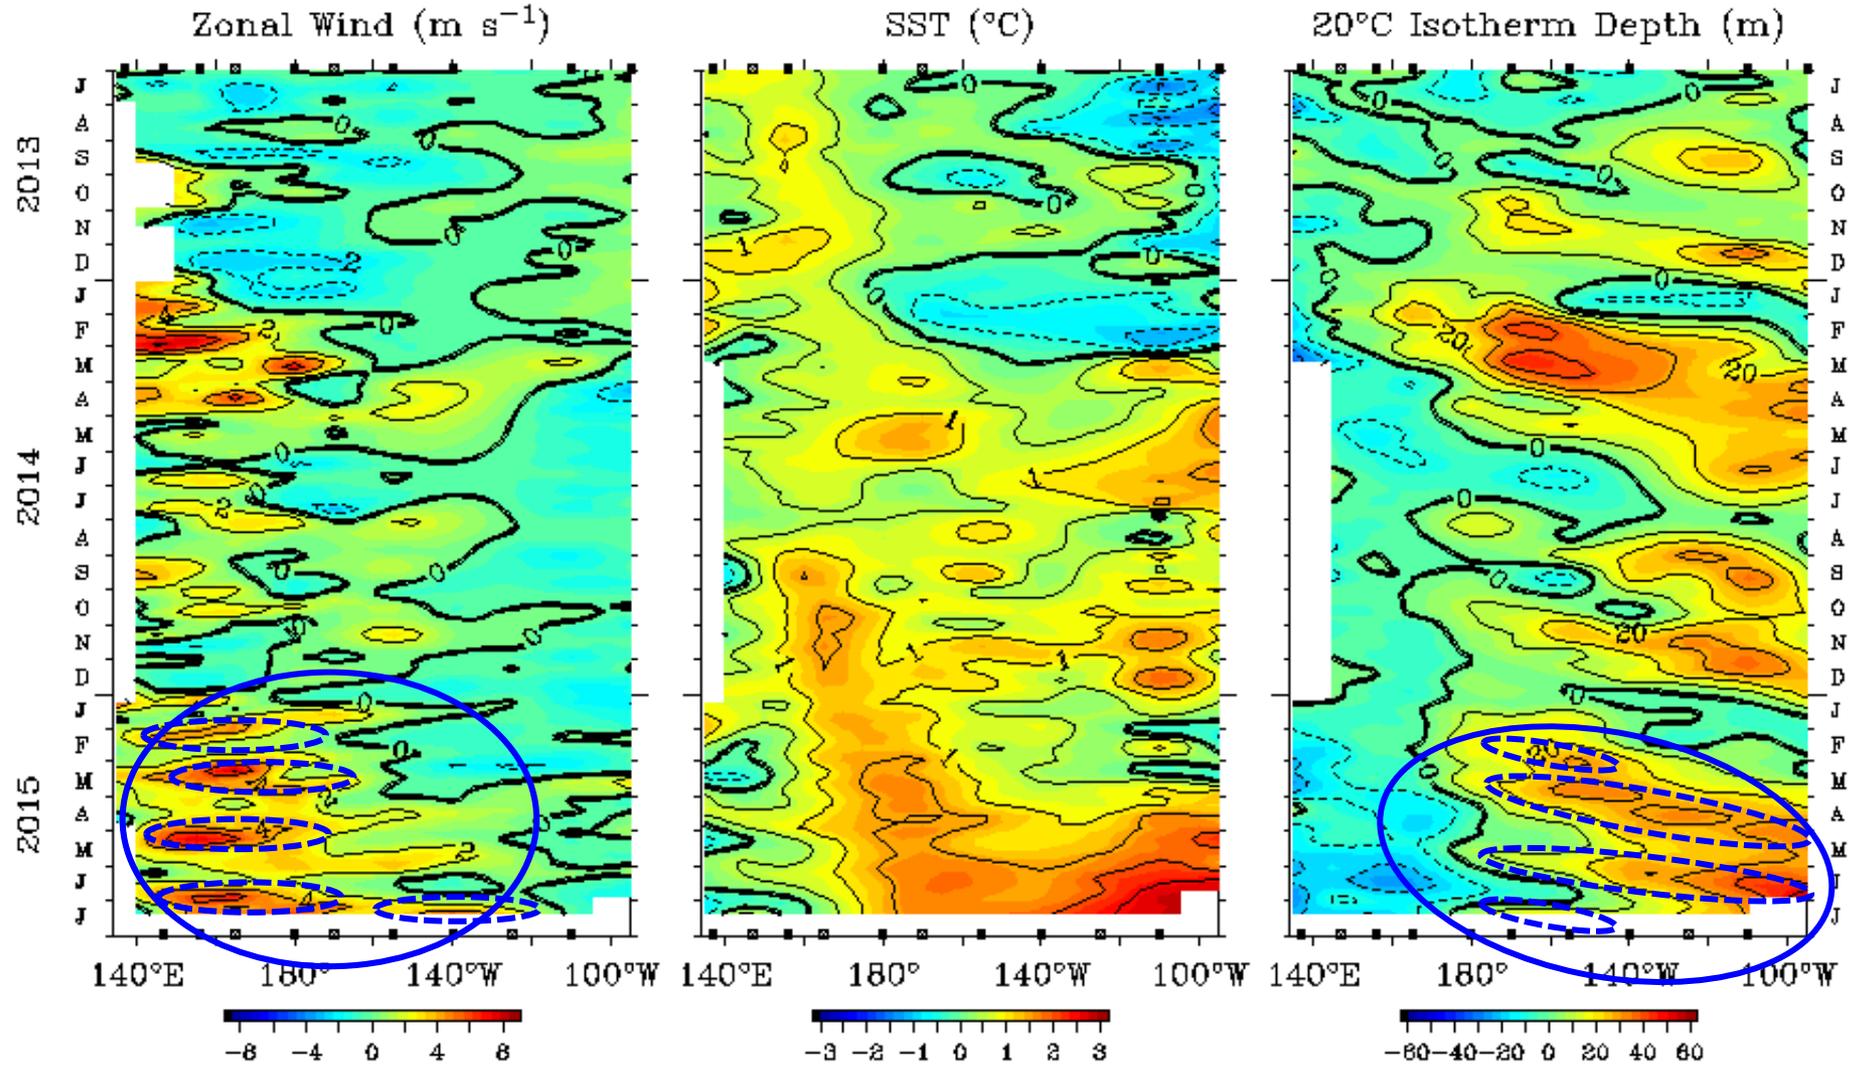

Prof. Pablo Lagos, Ph.D.  
Instituto Geofísico del Perú  
Universidad Nacional Mayor de San Marcos  
[plagose@gmail.com](mailto:plagose@gmail.com)

# INFORMACION PARA TOMA DE DECISIONES

1. Comunicado Oficial ENFEN No 11-2015  
Alerta de un evento El Nino
  2. Condiciones oceano-atmosfericas en el Pacifico ecuatorial  
Evidencias de condiciones El Nino
  3. Probables precipitaciones en el Peru  
Mecanismo de Teleconecion
- 

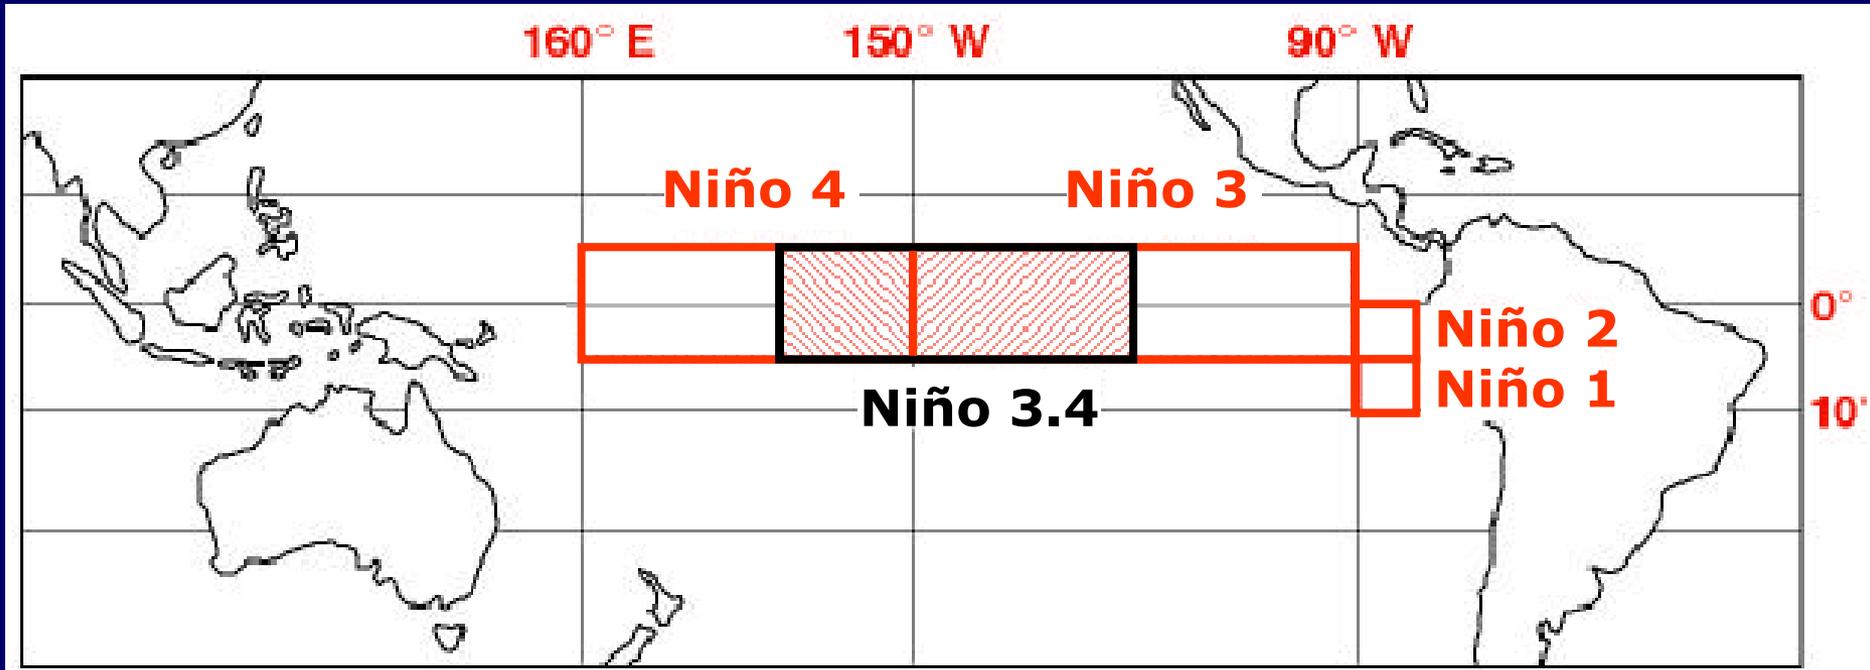

# TAO a lo largo de la línea ecuatorial

Five Day Zonal Wind, SST, and 20°C Isotherm Depth Anomalies 2°S to 2°N Average

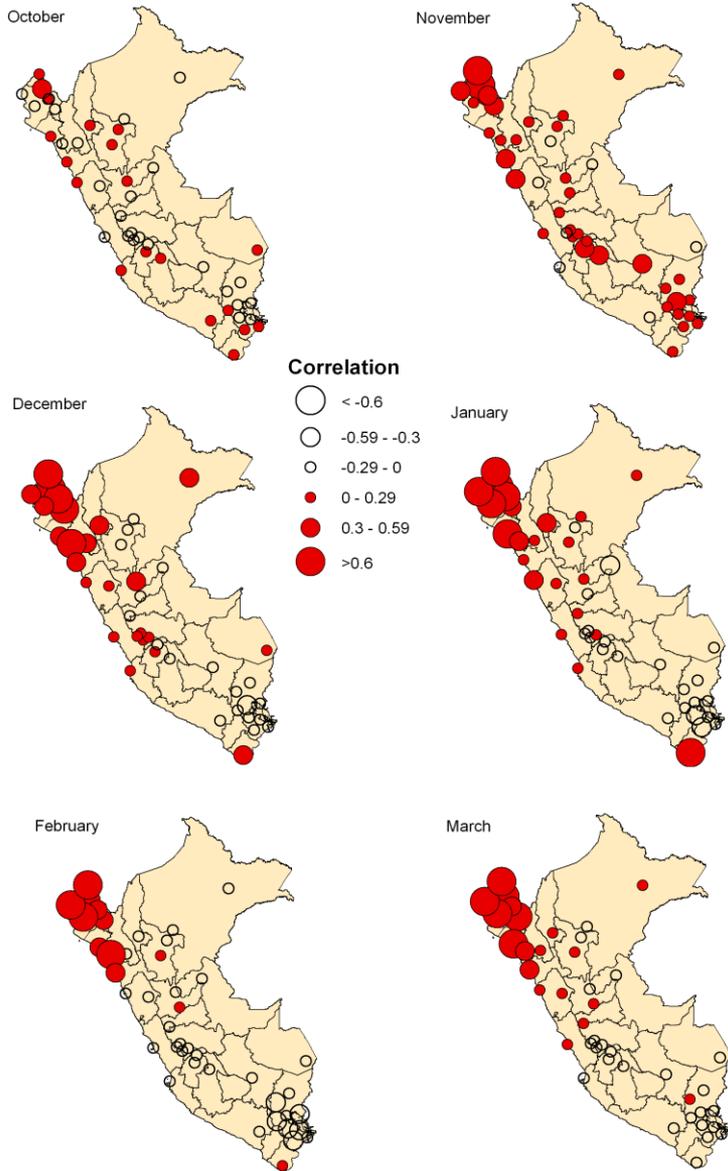

Intraestacional  
Interannual

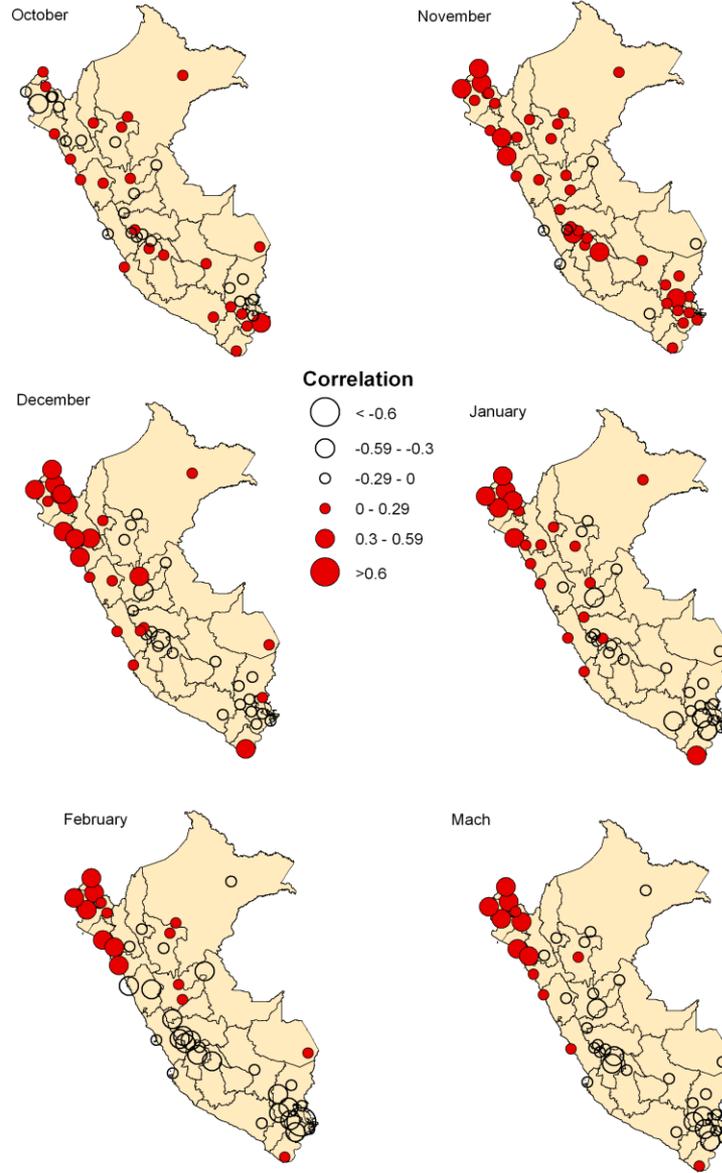

# INDICES DEL ENSO EN EL PACIFICO

# Correlation between Precipitation and SST in El Niño 1+2 Region

# Correlation between Precipitation and SST in El Niño 3.4 Region

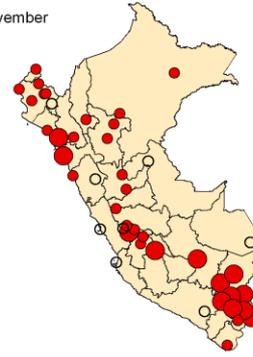

## Correlation between Precipitation and SST in El Niño 4 Region

October

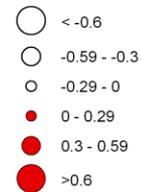

November

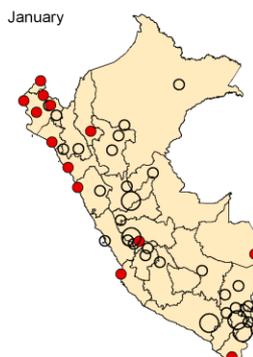

December
